

Civil Construction Inspector

Part Time / Immediate Start

Are you a qualified Civil Construction Inspector who enjoys working on large-scale projects that make a difference to local communities? Are you semi-retired and/or seeking occasional project-based work? Do you have two or more years' experience coordinating project delivery and monitoring compliance without supervision? Are you an excellent communicator with the ability to issue clear site instructions and work with a wide range of people? Does your skillset include a working knowledge of Transport and Main Roads specifications, demonstrated understanding of corporate and legislative WHS requirements, proficient use of Microsoft Office Suite and quality control systems? Ticking all the boxes...then SHEPHERD has the career opportunity for you.

Join the SHEPHERD Team

SHEPHERD is offering an exciting and unique opportunity to work with regional and remote councils, primarily in Queensland, to deliver large-scale civil construction projects.

As well as demonstrating technical expertise, the successful applicant will reflect SHEPHERD's values of respect, teamwork, positivity, excellence, innovation, and work life balance.

SHEPHERD offers an attractive remuneration package based on an average of 100 hours per month ranging from \$75K to \$78K including allowances and super (allowances are pro rata based on travel days away). Position requires working away from home (DIDO/FIFO), accommodation provided.

Required qualifications include Cert 4 Civil Construction Supervision (RII40715), Industry White Card, Class C drivers licence and First Aid/CPR certification.

For more information, contact SHEPHERD Project Manager – Civil Brett Fulloon on 0438 666 144.
